Hello Daniel

Thank you for emailing my office.

Paxton and Bradley is very much on our radar as an area of focus.

That is why we partner with LAHSA to go out and assemble with those individuals in need.

I want to connect you with my Area Representative, Susana Carmona for further assistance.

Thank you

Good morning Councilwoman Rodriguez,

First of all, I want to say thank you for all you do for our community. I can only imagine the bombardment of requests you receive daily from citizens. But, my wife and I truly appreciate your dedication to our city.

I wanted to send over a video of the underpass by Costco over to you to see if there is anything we can do for these folks. Looks like this encampment is getting worse and worse. Is there anything being done to help these folks out while clearing the sidewalk?

Regards,

[REDACTED]

All The Best,

Dan
